## GENERAL INFO

### Holiday Service

MVTA often operates with a reduced schedule on holidays and holiday weeks. For reduced schedule information, visit [mvta.com](http://mvta.com) or call **952-882-7500**. Sign up for route alerts at [mvta.com](http://mvta.com).

### Bicycle Information

All MVTA buses have free bike racks to carry bicycles while customers ride the bus. Bike lockers are available at some transit stations to store your bicycle while you ride the bus. Visit [mvta.com](http://mvta.com) or call **952-882-7500** for locker locations and more information.

### Connections

Customers should always alert the driver of their desire to connect to another bus route. A minimum connection time of 7-10 minutes is suggested when planning a bus route connection.

### Accessibility

All MVTA buses are accessible to those with limited mobility either with kneeling buses, ramps or lifts. Riders should feel comfortable asking the driver to use the ramp or lift, or have the bus "kneel" if necessary.

**Schedules subject to change and may be affected by traffic and weather conditions.**

## READING A SCHEDULE

1 Find the timetable for the correct day of week and direction of travel.

2 Find the locations (TimePoints) nearest your starting point and destination. Remember that you may get on and off the bus at transit stops between the TimePoints. The TimePoint letters (A) provide a reference to the locations on the map.

3 Read down from the TimePoints to see times when buses serve those locations.

4 Read the times across from left to right to see when the bus will reach other locations. Each row of times from left to right represents a single bus trip.

5 Refer to Route Number and Letter to ensure you catch the correct bus.

## HOW TO RIDE

### Plan!

Use MVTA's Online Trip Planner, located on our homepage, [mvta.com](http://mvta.com)

Call the MVTA customer service phone line at **952-882-7500**.

Download the free *Ride MVTA* app at Google Play or the App Store for real-time bus location and trip planning information.

### Pay!

**IMPORTANT: If paying in cash, use exact change – drivers cannot make change.**

Insert cash and/or coins into the fare box located at the front of the bus when you board the bus (pay when exiting southbound express buses).

When using a Go-To Card or preloaded fare card, simply touch the card to the reader located next to the driver when you board the bus.

When paying with cash you may request a transfer ticket from the driver at no charge that allows for 2½ hours of travel on intersecting routes. Additional fare applies when transferring from local to express service. Transfers are automatically loaded when a Go-To card is scanned.

### Ride!

**Be prepared:** arrive at your stop five minutes early and have your payment ready when boarding.

**Identify yourself:** Wave at the bus when it arrives to make it clear to the driver that you would like to board. Most of MVTA's buses will stop at any safe location along the route. Some routes have designated stops, which will be shown on the route map.

**When you are ready to exit:** Request your stop by pressing the signal tape or pulling the bell line near the window one block ahead (on designated stop routes, the driver will only stop at bus stop signs).

### Go-To Card

Go-To Cards offer a fast and convenient way to pay transit fares. The durable, plastic card tracks cash value and 31-day passes. Simply touch the card reader with the Go-To card and the appropriate fare is deducted automatically.

Go-To Cards are rechargeable and are accepted on all regional buses and trains. To purchase or add additional funds please call 612.373.3333, visit [metrotransit.org](http://metrotransit.org) or stop by the following locations to purchase or obtain more information:
